STAR QUALITY

Ever since Chanel's stunning star-printed collection brightened ready-to-wear last spring, we predict that the celestial symbol will continue to play a starring role for this year's holiday season and beyond. Our pick: **Majestic's** star pendant necklace (wholesale \$3). Call 212-563-9209.

LUCKY US

Looking for some peace, love and small town Americana? Lucky for you, **Lucky Brand Jeans** is launching a collection of fashion watches. Iconic motifs include the lucky four-leaf shamrock, the peace sign, and distressed leathers and metals. Highlights include skeleton watches, a tambourine-styled case (capturing the brand's musical legacy) and a square case with the word "love" in white enamel. Retail prices range from \$95 to \$175. Call E. Gluck Corp at 718-784-0700.

CIGAR AFICIONADO

Just a few years ago, cigar box handbags were—shall we say—smoking hot as a niche category in handbags. Now, it's all about cigar bands, which inspired **Erica Anenberg's** vintage-style collection of rings. Made in solid brass and enamel, each style wholesales for \$28. Call The Agency Showroom in Los Angeles at 213-624-3629, or go to Agencyshowroom.com.

HAUTE VOTE

Doesn't matter if you prefer red over blue, or Michelle Obama's sartorial style to that of Cindy McCain. Either way, come November, be sure to exercise your right to vote—and don't miss out on these "politically correct" accessories!
