### Affordable Timepieces

by Gina LaGuardia

Sure, a watch is functional, but it's also another very important piece of the [fashion we flaunt](#). For most of us, it doubles as jewelry, something that alludes to our personal sense of style (*Flashy and fun? Soft and subdued? Hip and happening?*) When it's time to find a stylish timepiece that speaks to your face of fashion, why wait another minute—or second, for that matter? These 10 watches are ticking in glamour and [won't break the bank](#).

### Time for Lucky Love

This chic **Lucky Brand** watch lets the world know that you make time for love. Look closely—though its mixed metal chain bracelet gives it a flair of jewelry, the metal tone face within the "O" reveals a timekeeper as classic as romance itself. Another reason why it's adorably appropriate? Because you're "you," and anyone cool enough to get you is lucky!
